Election for certain business start-up costs paid or incurred, you can elect to deduct up to \$5000. This limit is reduced by the amount by which your start-up cost exceed \$50,000. Also, the amortization period has been increased to 15 years. See IRS Schedule F instructions and Pub. 225																																											
Election you can elect to deduct certain forestation and reforestation costs paid or incurred, instead of amortizing them over 84 months.																																											
Discharge of certain farm indebtedness by solvent farmers is excludable from income - research as applicable.																																											
Income averaging (SCH. J) of the the three years' income is now available for Farming income.
